

What kinds of information do we collect?

We do not collect any personal information about the User through this App except for the signature that the User puts in the form. Apart from this the App captures the GPS location of the customer for whom the User is providing the Service.

How do we use this information?

The App works on SELCO's ERP platform and has been designed only to capture information required for providing service to SELCO's customers. The App will be used by SELCO's technical team to provide Service to SELCO's customers.

How is this information shared?

The information is stored in SELCO's customer database and is not shared with any third party for commercial purposes. The information will only be used by SELCO to provide services to its customers.

How can I manage or delete information about me?

The information is stored in SELCO's customer database and mandatory for providing services. There is no provision to delete or change this information by the Users.

How do we respond to legal requests or prevent harm?

We may access, preserve and share your information in response to a legal request (e.g. a search warrant, court order or subpoena) if we have a good faith belief that the law requires us to do so.

How will we notify you of changes to this policy?

We'll notify you before we make changes to this policy and give you the opportunity to review and comment on the revised policy before continuing to use our Services.
